

## Invest India CEO Forum

The Invest India CEO Forum is a flagship event of the organisation to invite global leaders in business and re-enforce India as a preferred investment destination of the world. The forum acts as a platform for brainstorming on agendas of India's socio-economic development in the global context and forging effective partnerships. The Invest India CEO Forum is slated to witness participation of more than 2500 delegates from over 50 countries, including Heads of States and global industry leaders.

The Invest India CEO Forum provides a platform for discussion on global, national and state-level interests with a sharp focus on all-round economic development for a 'New India'. In addition, the forum is a platform for signing various MoUs and announcing new policies.
