SECTION 2: INSTRUCTIONS TO BIDDERS

Preface

Invest India is set up as a nonprofit venture under the DPIIT, Ministry of Commerce and Industries, Government of India. Operationalized in early 2010, the Agency has been set up as the dedicated investment promotion agency (IPA) for attracting investments into the country in a structured, focused and comprehensive manner.

Invest India is the first point of reference for foreign investors, and investment promotion and facilitation constitute the core mandate of the Agency. Its services include providing quality input and support services to Indian and overseas enterprises — through granulated, sector- and state-specific information, assistance with location identification, expedition of regulatory approvals, facilitation of meetings with relevant government officials, organization of investment road shows and roundtables, and aftercare services that include initiating remedial action on problems faced by investors by involving the government department concerned.

Startup India is working on various initiatives to promote innovation and entrepreneurship in the country. Considering that women constitute only 13.76% of the total entrepreneurs, the focus this year for Startup India is to conduct capacity development for women led startups to disseminate information about the initiative, train them and provide them a platform to present their startup. The objective is to support women led startups by training them, providing mentorship support and an opportunity to present their startups to stakeholders of the startup ecosystem

The name of the bidders whose technical proposal is found responsive (i.e. identified benchmark) shall be read out. The Financial Proposal of the bidders who meet the minimum qualifying mark will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals of the bidders who meet the qualifying mark as indicated in the Data Sheet shall be then opened, and the prices read aloud and recorded.

2.24.3 Financial proposals of only those bidders will be evaluated, who secure a minimum of 60% marks in the technical evaluation. The proposal with the lowest total bid value (Part A and Part B) as given in FORM FIN 2 shall be given a financial score of 100 and other proposals given financial scores that are inversely proportional to their total bid value.

2.25 Combined Evaluation

2.25.1 Based on the criteria in item No. 20 of Data Sheet-Part II the combined score shall be obtained by weighing the technical and financial scores in the ratio of 70:30 and adding them up. Based on combined weighted score for technical and financial, the bidder shall be ranked in terms of total score obtained. The proposal obtaining the highest combined score in evaluation will be ranked as H-1 followed by the proposals securing lesser marks

as H2, H3, etc. **The bidder securing the highest combined marks will be considered for award of the contract.**

Example:

As an example, the following procedure will be followed. The minimum qualifying marks for technical qualifications are 60 and the weightage of the technical bids and financial bids is kept as 70:30. If in response to the RFP, 3 proposals, A, B & C are received. The technical evaluation committee awards them 75, 80, and 90 marks respectively. The minimum qualifying marks are 60. All the 3 proposals are, therefore, found technically suitable and their financial proposals will be opened after notifying the date and time of bid opening to the successful participants. If the evaluation committee examines the financial proposals and the quoted total bid values are as under:

Proposal	Total Bid Value
A	: INR 120
B	: INR100
C	: INR 110

Using the formula $LTBV / TBV$, where LTBV stands for Lowest Total Bid Value and TBV stands for Total Bid Value, the committee will give them the following points for financial proposals:

A	:	$(100 / 120) * 100$	=	83 points
B	:	$(100 / 100) * 100$	=	100 points
C	:	$(100 / 110) * 100$	=	91 points

In the combined evaluation, thereafter, the evaluation committee will calculate the combined technical and financial score as under:

Proposal A	:	$75 \times 0.70 + 83 \times 0.30 = 77.4$	points.
Proposal B	:	$80 \times 0.70 + 100 \times 0.30 = 86$	points
Proposal C	:	$90 \times 0.70 + 91 \times 0.30 = 90.3$	points.

The three proposals in the combined technical and financial evaluation will be ranked as under:

Proposal A: 77.4 points	: H3
Proposal B: 86 points	: H2
Proposal C: 90.3 points	: H1

Proposal C at the total bid value of INR 110 will, therefore, declared as winner and recommended for approval, to the competent authority.

In the event of a tie in the final scores, the agency having the lower financial quote amongst the two would be preference.

2.26 Information

2.26.1 Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the Proposals or to other persons not officially concerned with the process. The undue use by any bidders of confidential information related to the process may result in the rejection of its Proposal and may adversely affect its prospects.

2.27 Taxes

2.27.1 The bidder shall include in Bid Price all local taxes and duties as applicable on amounts payable by the Agency under the Contract. All taxes, duties and other impositions as applicable in India shall always be deemed to be included in the Financial Proposal.

2.27.2 The Financial Proposal shall include all commercial implications and all applicable taxes should also be included in the Financial Proposal.

2.27.3 Bid/Contract price shall remain fixed for the entire Contract period.

2.28 Award of Contract

2.28.1 The bidder securing the highest combined score will be considered for award of Contract.

2.28.2 **Invest India** shall award the Contract to the selected bidder by issue of Letter of Award (LOA) and notify all bidders who have submitted proposals after award is accepted by the selected bidder.

2.28.3 The selected bidder is expected to commence the assignment on the date and at the location specified in the LOA/ Contract.

2.28.4 If the selected bidder does not sign the Contract within the stipulated period or does not submit the Performance Guarantee within time, the LOA may be cancelled and the bidder securing the next higher combined marks will be considered for award of Contract.
