

**Urgent notification to all citizens and tourists in the state**

through PRESS RELEASE

In view of reported cases of corona virus disease in other parts of the country and abroad, all domestic and foreign travellers coming from affected countries and affected States in India are to mandatorily report to the office of the Deputy Commissioner through 108 toll free helpline.

All such travellers are also advised to maintain social distancing and self-quarantine at home for 14 days and call 108 for any assistance from Health Department and other State Agencies.

This is issued in the public interest by the Government of Meghalaya.

Dated 16<sup>th</sup> March 2020, Shillong

Secretary to Health & Family Welfare Department
