Order:

To prevent spread of novel corona virus that has been declared epidemic by world health organisation, Home Department of Government of India announced lockdown.

With reference to above Government of Gujarat allowed free movement of freight vehicles carrying essential or non-essential goods and also ordered there is no need to issue pass to them by State authorities. To assist freight vehicles in easy and free movement following has been ordered by State Government. To assist easy and quick movement to freight vehicles necessary services like select auto-garage, spare-parts shops, puncture repair shops and for staying and eating dhabas and hotels should be kept open.

With reference to above incident commander and sub-divisional magistrate of Sabarkantha district has invited list of all the auto-garage, spare-parts shops, puncture repair and dhabas and hotels along the route of State and National Highway in Sabarkantha district. Accordingly District Magistrate office will announce the list with names of service providers that may be kept open provided they follow the norms issued by State and Central Government for preventing spread of novel corona virus
