

## **Gujarat exempts new businesses from labour laws for 1200 days**

Date: 09.05.2020

Aimed at pumping up economic activity and create employment, Gujarat Government on Friday (08.05.2020) announced that new projects will be exempted from all labour laws for 1200 days. The exemption will be granted to all new projects.

The exemptions, however, will not be extended for minimum wage payment, ensuring security of employees and paying compensation in case of injury or death at workplace.

If one sets up new establishment within six months from the date of the ordinance getting passed, and provide employment, then the concerned unit will get exemption from all the labour laws for 1200 days from the date of production.
