

**Guiding Instructions for Granting Permission
To travel from one area to another area
Within Gujarat State**

**Gujarat State
General Administration Department
Order no.: PRC / 102020 / 191
Sachivalaya, Gandhinagar
Date: 04/05/2020**

Order:

With order of Indian Government dated 19/04/2020 guidelines has been released for travel of trapped workers from one area to another area within the State. Following guidelines are issued to implement a state-wide uniform system in accordance with above:

1. This notification is for movement within Gujarat State
2. For Business - employment activities or farmers for farming or to reach their farms would be permitted to travel from one area (district) to other area (district)
3. Permission would not be granted to travel from red zone / containment zone or to travel to red zone / containment zone. However, permission should be granted to travel from green / orange zone of one area to green / orange zone of another area
4. Person will to travel should apply for movement pass on digital Gujarat portal and should take permission from Mamlatdar of his respective area
5. At district level, district control room giving such permission should send integrated report with person name, identification details, vehicle type twice in a day to district where he would be travelling to
6. Permitting district should once check with the district where person wants to travel to regarding their allowance and limit. Permission should be granted accordingly
7. Initially permission should be granted in limited numbers and then according to the structural soundness and capacity allowance of receiving district number of permissions might be increased
8. Sending district should do the medical screening of person before he leaves the district to check for corona symptoms if any. If there are positive symptoms then permission should not be granted / permission should be cancelled
9. In districts where these people reach, in that village, town or city according to guideline whichever Panchayat or Municipal Corporation should make sure that they are quarantined for 14 days
10. District administration should also ensure that these people follow social distancing norms during transit and compulsorily wear masks

11. Permission for medical emergency and for some social circumstances should be granted as per routine
12. Apart from this orders issued time to time by MHA, Government of India should be followed without fail
