The Rajasthan government has since removed all conditions imposed for inter-state traffic

The Rajasthan government today removed all conditions imposed for inter-state traffic. Now no person will need any pass or NOC to enter the state and visit another state.

Additional Chief Secretary of the Home Department, Rajiv Swaroop, today issued orders regarding this.

The order states that though the screening of people will still continue while entering the state and on their way to another state.

Also, check posts made on interstate borders will remain unchanged.

It has been instructed that these steps have been taken keeping in mind the recovery rate of people affected with COVID-19 in the state.

22 new cases have been reported today, taking the state tally of COVID-19 to 13,338. Also, 10125 patients have been cured till date. Most of the new cases are from Bharatpur district, followed by Pali and then Churu districts.
