Lucknow: 19 June, 2020

Uttar Pradesh Chief Minister Yogi Adityanath Ji has asserted that all efforts should be made to make available better health services to the people in this disastrous time of Covid-19. In order to maximise the use of all resources, the ambulances of '108', '102', ALS, and private nursing homes should be pressed into service. He said all the ambulances should compulsorily have sanitiser, PPE kits, N-95 masks and gloves and the their response time to be below ten minutes.
Presiding over a high-level review meeting of Unlock arrangements at his official residence here today, he said that the testing facilities should be ramped up and the process to set up testing lab in every district should be expedited. He directed to set up level-2 lab in all the divisional hospitals and the medical colleges by the end of June, 2020. He asked the Medical Education and Health departments to ensure follow up action in this regard. He also directed to have services of Ayush doctors in L-1 and L-2 Covid hospitals.

The Chief Minister said that all the health equipments should be functional in the Covid hospitals and at least ten percent of beds in the Covid hospitals should have facilities of oxygen and some beds in L-2 hospitals with ventilators facilites. He also instructed to create more holding area in the hospitals where the adequate number of stretchers and wheel chairs should be available. Beside this, there should be more counters for the registration in the hospitals. He stressed the need of creating awareness about the Covid-19 through proper publicity even as the public address system is in the use in all the districts. In order to expedite this, other communication means including Doordarshan and Akahsvani should be used to disseminate the awareness information.

The Chief Minister said that the hoarding should be erected in Gram Panchayats and Urban bodies areas containing Corona information while the government ration shops and mandis should also have such banners. Every institution should have Covid help desk with availability of sanitiser, infra-red thermometer and pulse oximeter. He also asked to deploy large human resource to strengthen the surveillance system. He lauded the role of surveillance committees and said these should also be provided sanitiser, infra-red thermometer and pulse oximeter. He directed to continue intensive police patrolling and ensure foot patrolling in crowded places and markets and ptrolling by PRV-112 vans at highways and expressways. The social distancing norms have to be followed to contain the spread of Corona.

The Chief Minister pointed out that there has been a competition for investment in the country hence the simplification of rules is neceassry to attract investment in the state. He said that his government has been
working seriously towards this and directed to speed up the process of simplifying the rules and procedures to attract more and more investment.

In order to provide employment to labourers/workers, the Industrial Investment Development Commissioner (IIDC) should conduct survey of the industrial units, he instructed. Those desirous of self-employment should be facilitated to get bank loans. Mentioning the immense possibilities of employment in industry, MSME, rural development, panchayati raj, agriculture and irrigation, the CM described how the labourers of Banda district revived a river by their efforts. It provided employment for some and new life to river. He said such endeavours should be encouraged.
