CIRCULAR

Sub: Covid-19 related work allocation at district level—reg.

* * * *

In view of rise in the trend of Covid-19 positive cases in the state, additional human resource is required to tackle the situation effectively. The work burden needs to be shared at district level. Hence, the Covid-19 work is distributed to District Program Officers along with the regular program. The Program Officers and their staff shall co-ordinate, implement and supervise Covid-19 related activities as per the attached annexure.

If already there is distribution of Covid-19 work among district-level program officers is in place, the same can be continued with approval from District Commissioner.

All the other respective program activities shall also continue along with the Covid-19 related work also and are instructed to utilize respective staff for the same.
