GOVERNMENT OF KARNATAKA

Karnataka Government Secretariat,
Vidhana Soudha,
Bengaluru, Dated: 15-07-2020

ORDER

Whereas the Government of Karnataka has been working to control the spread of COVID-19 disease in the state and to mitigate the morbidity and mortality due to the said disease.

Whereas a number of Notifications, Standard Operating Procedures (SOPs), Circulars, Written Clarifications have been given for the benefit of the people, health care facilities and health care workers from time to time as the virus has evolved under the overall guidance of Government of India since the onset of COVID-19 epidemic in the State.

Whereas the Government has issued detailed Guidelines and SOPs for isolation of COVID positive persons at home either in the apartments or in their individual houses depending on the availability of desired independent space.

Whereas Guidelines, SOPs and Information Education and Communications have also been issued regarding compulsory home quarantine of interstate travelers, COVID positive cases and primary contacts.

Whereas, it has come to the notice of the Government that the advisory given in the guidelines and SOPs for the COVID positive and primary contacts as well as travelers to remain in home isolation has not been complied strictly by such persons causing an irreparable damage to the society through spreading of infection to the vulnerable and general population.

Therefore in order to ensure the compliance of instructions by the travelers, primary contacts and COVID positive patients for stricter home isolation in the interest of public health and wellbeing, I the undersigned in the capacity of Chairperson of State Executive Committee of National Disaster Management Act and their provisions read with the provisions of Epidemic Disease Act 1897 (Central Act 3 of 1897) compel such persons to strict home isolation failing which appropriate summary and suo motu penal action will be initiated against such persons as per the relevant provisions of National Disaster Management Act 2005 read with Epidemic Disease Act 1897 and IPC.
