Tripura Industrial Investment Promotion Incentive Scheme 2017

Government of Tripura
Department of Industries & Commerce

सत्यमेव जयते

M. NAGARAJU, IAS

PRINCIPAL SECRETARY
INDUSTRIES & COMMERCE
GOVERNMENT OF TRIPURA

Message

It gives me immense pleasure to introduce new Tripura Industrial Investment Promotion Incentive Scheme, 2017 (TIIPIS) for next five financial years.

Industries play a crucial role in the development of a country's economy. All countries of the world are channelizing their resources to promote rapid industrialization for alleviating poverty and increasing employment.

The State Government has been welcoming all interested entrepreneurs to set up industries in our State and had taken several measures to create conducive conditions to promote trade, business and entrepreneurship. The TIIPIS, 2017 is prepared keeping in view our raw material resource base and priorities to facilitate the entrepreneurship development in the State.

We, at Tripura, welcome everyone to a truly investor-friendly environment and cordially invite all to consider setting up of projects in Tripura and it is assured that the State Government will provide all necessary support to make your vision possible.

(M. NAGARAJU)
