

# Allocation of Funds to States for Battling COVID-19

Posted On: 15 SEP 2020 2:57PM by PIB Delhi

Public health and hospitals being a State subject, the primary responsibility of treatment of COVID-19 patients lies with the respective State governments. States/UTs are using their own resources for COVID-19 management including for treatment of the patients and the details are not maintained centrally.

Besides this, States/UTs are being provided required technical and financial assistance under National Health Mission (NHM) for managing the COVID-19.

Further, financial assistance to States/UTs has been given based on the number of cases and trends of COVID-19 Pandemic. Accordingly, all the States/ UTs are provided with necessary financial support under India COVID-19 Emergency Response and Health System Preparedness Package. States /UTs were given flexibility to use the resources available under NHM to prepare the public healthcare system for COVID-19 management.

During FY 2020-21, funds of Rs 4230.78 crore have been released to the States/ UTs as on 03.09.2020 and the State wise amount allocated and released to each State/UT is given below:

| <b>Statement showing State-wise Central Allocation and Release under the COVID-19 Package (Phase-I and Phase-II)</b> |                     |                              |                               |                           |                            |  |
|--|---------------------|------------------------------|-------------------------------|---------------------------|----------------------------|--|
|  |                     |                              |                               |                           | (Rs. in Crore)             |  |
| Sl. No.  | State/UT            | Central Allocation (Phase-I) | Central Allocation (Phase-II) | Central Release (Phase-I) | Central Release (Phase-II) |  |
| <b>A. High Focus States</b>  |                     |                              |                               |                           |                            |  |
| 1  | Bihar               | 80.2                         | 66.23                         | 80.2                      | 33.11                      |  |
