Ministry of Railways

Delhi receives its FIRST Oxygen Express

64 MT is on its way to Jabalpur & Bhopal in Madhya Pradesh

2 more trains with total 7 tankers carrying more than 100 M Tonnes expected to reach Lucknow in 36 hours

Approx 450 MT Liquid Medical Oxygen already delivered in six Oxygen Express trains so far

Posted On: 27 APR 2021 5:00PM by PIB Delhi

Indian Railways is continuing its journey of delivering liquid medical oxygen to various parts of the country. So far, 450 metric tonnes have been delivered to Maharashtra, Uttar Pradesh & Delhi in 6 Oxygen Express through 26 tankers covering more than 10,000 km (in empty and loaded conditions).

Currently, another oxygen express is on the run from Bokaro to Bhopal via Jabalpur. This train is carrying 64 metric tonnes of liquid medical oxygen in six tankers, which will replenish oxygen demand in Madhya Pradesh through the city of Bhopal and Jabalpur.

Another empty rake from Lucknow has reached Bokaro, which will bring another set of oxygen tankers replenishing oxygen supply to Uttar Pradesh.

Delhi has received its first Oxygen Express carrying more than 70 metric tonnes of liquid medical oxygen today early morning.

So far, As per provisional estimates Indian Railways has delivered 202 metric tonnes to Uttar Pradesh, 174 metric tonnes to Maharashtra and 70 metric tonnes to Delhi. Madhya Pradesh will receive 64 metric tonnes in next 24 hrs.
