INVITATION FOR REPUTED COMPANY(S) FOR OPERATION & MAINTENANCE OF SECONDARY FOOD PROCESSING UNITS IN ANDHRA PRADESH ON LEASE, OPERATE, TRANSFER MODEL FOR A BLOCK PERIOD OF 10 YEARS

INTRODUCTION

GOAP as part of its food processing policy, intends to develop secondary food processing ready to operate plug & play units in each parliamentary constituency summing up to forty-two (42) product specific units. These units are intended to create a Win- win situation for farmers and industries. The main objective of this EOI is to invite the experienced players of national & international repute (MNCs) with an established market, processing a diverse distribution and customer chain through O&M of the unit(s).

EXPRESSION OF INTEREST

APFPS through this EOI invites eligible companies to submit their proposals (intent) for operation and maintenance of secondary food processing units.

MODEL

LEASE OPERATE TRANSFER

BLOCK PERIOD - 10 YEARS

AIM

Andhra Pradesh food processing society aims at creation of Secondary food processing units with modern infrastructure meeting global standards in areas of Agriculture, Horticulture and Food Processing.

OBJECTIVE

The main objective is to utilize the surplus production in the state by creating value addition to the produce, thereby reducing post harvest losses and ease of doing business to the O&M Partners.

ANDHRA PRADESH FOOD PROCESSING SOCIETY (APFPS)
CONCEPT & METHODOLOGY

This model can be termed as a plug and play model where in government shall establish the requisite industry/processing unit/factory. The Government (MARKFED) shall supply the raw material to units and reputed private industries will operate the units, market & sell the produce with a win-win solution for farmers and the industry.

Minimum Eligibility Criteria

The applicant must meet all the following minimum eligibility criteria.

i. Must have minimum 5 years of real time experience in Food processing, Agriculture products, Dairy processing or Aqua processing business with operations as on the date of submission of bid.

ii. Minimum average annual turnover in the last five financial years should not be less than 50% of the estimated project(s)/Unit(s) cost individually in terms of INR for which the Applicant is bidding for, and not less than 25% for the FY 2020-21. The estimated cost is mentioned in the EOI.

iii. Companies with Global footprints and business operations worldwide shall be preferred.

iv. The Applicant should not have been debarred/blacklisted/banned/not being under declaration of ineligibility for corrupt or fraudulent practices by any Government/PSU in India or Globally as on the date of submission of bid. A self-declaration or self-certification shall be submitted by the Applicant.

SCOPE OF WORK

- Secondary processing units will be established/constructed by APFPS in 24 parliamentary constituencies located in 13 districts based on the availability of the specific raw material, surplus, scope of expansion and available resources for the specific crop meeting global standards.

- The block period of 10 years may further be extended to a period of Five years upon the successful completion of the same and willingness to continue by both parties with the agreed terms and conditions thereof.

- Selected Firms will also be open and willing to process, pack & market FPOs brand with forward and backward market linkages, if needed.

- Selected firms should absorb the surplus raw material production in the state at Minimum Support Price (MSP) / Market price with long term agreement.
