Preface

Invest India is set up as a nonprofit venture under the DPIIT, Ministry of Commerce and Industries, Government of India. Operationalized in early 2010, the Agency has been set up as the dedicated investment promotion agency (IPA) for attracting investments into the country in a structured, focused and comprehensive manner.

Invest India is the first point of reference for foreign investors, and investment promotion and facilitation constitute the core mandate of the Agency. Its services include providing quality input and support services to Indian and overseas enterprises — through granulated, sector- and state-specific information, assistance with location identification, expedition of regulatory approvals, facilitation of meetings with relevant government officials, organization of investment road shows and roundtables, and aftercare services that include initiating remedial action on problems faced by investors by involving the government department concerned.

2.1 Introduction

2.1.1 Invest India named in the Data Sheet will select a bidder in accordance with the method of selection specified in the Data Sheet.

2.1.2 The short-listed bidders are invited to submit a proposal in two parts - the Technical part and the financial part sealed separately, as specified in the Data Sheet, for services required for the assignment named in the Data Sheet. Late bids i.e., bids received after the specified date in the data sheet will not be considered. The Proposals submitted will be the basis for signing the contract with the selected bidder.

2.1.3 The Bidders are required to familiarize themselves with the local conditions and take them into account while preparing their proposals. To obtain first-hand information on the assignment and local conditions, bidders are advised to attend a pre-bid conference as specified in the Data Sheet. Attending the pre-bid conference is optional. Bidders should contact Invest India’s representative named in the Data Sheet to obtain additional
information on the pre-bid conference.

2.1.4 Bidders shall bear all costs in connection with the preparation and submission of their proposals, attending pre-bid conference, etc.

2.1.5 Invest India may accept or reject any proposal in its discretion and may ask for any additional information or vary its requirements, add to or amend the terms, procedure and protocol set out in RFP for bonafide reasons, which will be notified to all the Bidders invited to tender. Further Invest India hereby reserves its right to annul the selection process at any time prior to the contract award without incurring any liability towards the Tenderers.

2.2 Documents part of RFP

2.2.1 The Request for Proposal (RFP) document for the project consists of the following sections:

Section 1 - Letter of Invitation
Section 2 - Instructions to Bidders (including Data Sheet)
Section 3 - Technical Proposal - Standard Forms
Section 4 - Financial Proposal - Standard Forms
Section 5 - Terms of Reference
Section 6 - Standard Form of Contract

2.2.2 The prospective bidders are expected to examine all instructions, forms, terms, project requirements, and other information in the RFP documents. Failure to furnish all information required as mentioned in the RFP documents or submission of a proposal not substantially responsive to the RFP documents in every respect will be at the prospective bidder’s risk and may result in rejection of the proposal.
2.3 Fraud / Corruption

2.3.1 Invest India requires that the bidders participating in the selection process adhere to the highest ethical standards, both during the selection process and throughout the execution of the Contract. In pursuance of this policy, Invest India defines, for the purpose of this paragraph, the terms set forth as applicable to both the parties:

2.3.2 “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value (whether in cash or kind) to influence the action of a public official in the selection process or in Contract execution.

2.3.3 “fraudulent practice” means a misrepresentation or omission of facts in order to influence a selection process or the execution of a Contract.

2.3.4 “collusive practices” means a scheme or arrangement between two or more bidders with or without the knowledge of Invest India, designed to establish prices at artificial, noncompetitive levels.

2.3.5 “coercive practices” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or affect the execution of a Contract. Invest India will reject a proposal for award if it comes to know that the bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question; and

2.3.6 Invest India will terminate the Contract, if already awarded and will declare the bidder ineligible, either indefinitely or for a stipulated period of time, to be awarded a Contract, if at any time it determines that the bidder has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a Contract.

2.3.7 Bidders shall be aware of the provisions on fraud and corruption prescribed in the specific
clauses in the General Conditions of Contract.

2.3.8 Bidders shall furnish information on commissions and gratuities, if any, paid or to be paid to agents relating to this proposal with details of name and address of agents, amount, and purpose, during contract execution as per details in the Financial Proposal submission form (Section 4).

2.4 Only one Proposal

2.4.1 Bidders will submit only one proposal. If a Bidder submits or participates in more than one proposal, all such proposals shall be disqualified.

2.5 Proposal Validity

2.5.1 The Data Sheet indicates how long Bidders’ proposals must remain valid after the submission date. During this period, Bidders shall ensure the availability of professional staff nominated in the Proposal. Should the need arise, Invest India may request Bidders to extend the validity period of their proposal further by 60 days. Bidders who agree to such extension shall confirm that they maintain the availability of the professional staff nominated in the Proposal, or in their confirmation of extension of validity of the Proposal, Bidders could submit new staff in replacement, which would be considered in the final evaluation for Contract award. Bidders, who do not agree, have the right to refuse to extend the validity of their proposals.

2.6 Clarification and Amendment of RFP Documents

2.6.1 Bidders may request for clarifications on any part of the RFP documents up to the number of days indicated in the Data Sheet before the last date of query submission. Any request for clarification must be sent in writing, or by standard electronic means to Invest India’s address indicated in the Data Sheet. Invest India will respond in writing, or by standard electronic means and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all Bidders. Should Invest India
deem it necessary to amend the RFP as a result of a clarification, it shall do so by the following procedure.

2.6.2 At any time before the submission of Proposals, Invest India may amend the RFP by issuing an addendum in writing or by standard electronic means. The addendum shall be uploaded on the Invest India website and will be binding on them. To give Bidders reasonable time in which to take an amendment into account in their Proposals, Invest India may, if the amendment is substantial, extend the deadline for the submission of Proposals.

Financial Proposal is not submitted in a separate file with password protection duly marked as indicated above, this will constitute grounds for declaring the Proposal non-responsive.

2.21.5 The Proposals must be sent to the email id indicated in the Data Sheet and received not later than the time and the date indicated in the Data Sheet. Any proposal received after the deadline for submission shall be disqualified.

2.22 Proposal Evaluation

2.22.1 From the time the Proposals are opened and up to the time the Contract is awarded, the bidders shall not contact Invest India on any matter related to its Technical and/or Financial Proposal. Any effort by bidder to influence Invest India in the examination, evaluation, ranking of Proposals, canvassing in any form or recommendation for award of Contract, may result in the rejection of the bidder’s proposal.

2.22.2 Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

2.23 Evaluation of Technical Proposals

2.23.1 Proposals which are not supported by adequate proof of the Signatory’s Authority or are not accompanied by a Bid security declaration and Nonrefundable Bid Processing Fees will not be evaluated.

2.23.2 The Evaluation Committee shall evaluate the technical proposals only for those bidders who satisfy the pre-qualification criteria as referred in clause no. 3 of data sheet. The technical proposals will be evaluated on the basis of their responses to the Terms of Reference, applying the evaluation criteria, sub-criteria, and point system specified in the Data Sheet. Evaluations will be based on documentary evidence submitted by the bidder with respect to pre-qualification / evaluation / selection criteria. Each responsive proposal will be given a technical score (Ts). A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP, and particularly the Terms of Reference or if it
fails to achieve the minimum technical score indicated in the Data Sheet. The Technical proposals which are unsigned and incomplete shall not be evaluated.

2.23.3 The proposal shall be rejected if bidder does not fulfill the eligibility criteria or the validity period of the proposal is less than 120 days.

2.23.4 During the process of evaluation of the technical proposal, the bidder will be required to make presentation on its Proposal covering Experience/ Technical Proposal including Implementation Methodology, Team Composition, Work Schedule, and Activity Schedule. The date and time of the presentation will be intimated individually.

2.24 Public Opening and Evaluation of Financial Proposals

2.24.1 After the technical evaluation is completed, the qualified bidders shall be informed about the time and location for opening the Financial Proposals. Bidder’s attendance at the opening of Financial Proposals is mandatory but it shall be recorded and signed by all present.

2.24.2 Financial Proposals shall be opened publicly in the presence of the technically qualified bidders’ representatives who choose to attend. The name of the bidders whose technical proposal is found responsive (i.e., identified benchmark) shall be read out. The Financial Proposal of the bidders who meet the minimum qualifying mark will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals of the bidders who meet the qualifying mark as indicated in the Data Sheet shall be then opened, and the prices read aloud and recorded.

2.24.3 Financial proposals of only those bidders will be evaluated, who secure a minimum of 70% marks in the technical evaluation. The proposal with the lowest total bid value as given in FORM FIN 2 shall be given a financial score of 100 and other proposals given financial scores that are inversely proportional to their total bid value.
2.25 Combined Evaluation

2.25.1 Based on the criteria in item No.19 of Data Sheet-Section II the combined score shall be obtained by weighing the technical and financial scores in the ratio of 80:20 and adding them up. On the basis of combined weighted score for technical and financial, the bidder shall be ranked in terms of total score obtained. The proposal obtaining the highest combined score in evaluation will be ranked as H-1 followed by the proposals securing lesser marks as H2, H3, etc. **The bidder securing the highest combined marks will be considered for award of the contract.**

**Example:**
As an example, the following procedure will be followed. The minimum qualifying marks for technical qualifications are 70 and the weightage of the technical bids and financial bids is kept as 80:20. Assuming that in response to the RFP, 3 proposals, A, B & C are received. The technical evaluation committee awards them 75, 80, and 90 marks respectively. The minimum qualifying marks are 70. All the 3 proposals are, therefore, found technically suitable and their financial proposals will be opened after notifying the date and time of bid opening to the successful participants. Assuming that the evaluation committee examines the financial proposals and the quoted total bid values are as under:

<table>
<thead>
<tr>
<th>Proposal</th>
<th>Total Bid Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Rs.120</td>
</tr>
<tr>
<td>B</td>
<td>Rs.100</td>
</tr>
<tr>
<td>C</td>
<td>Rs.110</td>
</tr>
</tbody>
</table>

Using the formula \( \frac{LTBV}{TBV} \), where LTBV stands for Lowest Total Bid Value and TBV stands for Total Bid Value, the committee will give them the following points for financial proposals:

- A : \( \frac{100}{120} = 83 \) points
- B : \( \frac{100}{100} = 100 \) points
- C : \( \frac{100}{110} = 91 \) points
In the combined evaluation, thereafter, the evaluation committee will calculate the combined technical and financial score as under:

- **Proposal A**: \(75 \times 0.80 + 83 \times 0.20 = 76.6\) points.
- **Proposal B**: \(80 \times 0.80 + 100 \times 0.20 = 84\) points
- **Proposal C**: \(90 \times 0.80 + 91 \times 0.20 = 90.2\) points.

The three proposals in the combined technical and financial evaluation will be ranked as under:

- **Proposal A**: 76.6 points: H3
- **Proposal B**: 84 points: H2
- **Proposal C**: 90.2 points: H1

Proposal C at the total bid value of Rs.110 will, therefore, declared as winner and recommended for approval, to the competent authority.

In the event of a tie in the final scores, the agency having the lower financial quote amongst the two would be given preference.

### 2.26 Information

2.26.1 Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the Proposals or to other persons not officially concerned with the process. The undue use by any bidders of confidential information related to the process may result in the rejection of its Proposal and may adversely affect its future prospects.

### 2.27 Taxes

2.27.1 The bidder shall include in Bid Price all local taxes and duties as applicable on amounts payable by the Agency under the Contract. All taxes, duties, and other impositions as applicable in India shall always be deemed to be included in the Financial Proposal.

2.27.2 The Financial Proposal shall include all commercial implications and all applicable taxes
should also be included in the Financial Proposal.

2.27.3 Bid/ Contract price shall be on lumpsum cost, but payments shall be made on monthly basis. For any resources deployed for additional scope of work, payment shall be made on pro-rata basis as per the resource deployment, for the entire Contract period.

2.28 Award of Contract

2.28.1 The bidder securing the highest combined score will be considered for award of Contract.

2.28.2 Invest India shall award the Contract to the selected bidder by issue of Letter of Award (LOA) and notify the same on Invest India website.

2.28.3 The selected bidder is expected to commence the assignment on the date and at the location specified in the LOA/ Contract.

2.28.4 If the selected bidder does not sign the Contract within the stipulated period or does not submit the Performance Guarantee within time, the LOA may be cancelled and the bidder securing the next higher combined marks will be considered for award of Contract.
