Swachh Bharat Abhiyan, launched by the Hon’ble Prime Minister on 2 October 2014 has been a transformative initiative to make India clean, green and healthy. Over the years, the Abhiyan has taken the shape of a people’s movement and has become a true ‘Jan Andolan’. It has created a favourable atmosphere for all section of the society to realize the importance of cleanliness and hygiene for a healthy living, thereby enabling them to contribute effectively to the country’s development.

The idea of ‘Swachh Bharat’ galvanized the whole country, and the Ministry of Petroleum and Natural Gas took series of initiatives towards spreading the message of Swachhta. An important step in this direction is observance of an institutional mechanism of “Swachhta Pakhwada.” I am pleased to share that this year too, the Ministry of Petroleum and Natural Gas observed the Swachhta
Pakhwada from 1-15 July 2022 with immense enthusiasm. This year pakhwada focused both on infrastructure creation as well as sustainability of assets and initiatives. Significant activities were undertaken by the Ministry, its attached offices and oil & gas CPSEs during the fortnight to reach a wide spectrum of people across the country and to create citizen centric infrastructure.

I warmly congratulate all those who have contributed to the success of the campaign and urge each one of you to continue with your efforts and fulfil the dream of our Hon’ble Prime Minister of making Swachh Bharat a reality.

(Hardeep S Puri)
Swachh Bharat Abhiyan (SBA), launched by the Hon’ble Prime Minister is one of the biggest mass movements or Jan Andolan programmes of independent India which aims to achieve universal sanitation coverage and put the focus on sanitation. The vision that Swachhta is everyone’s business has inspired Swachhta Pakhwada which started in April 2016 with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhta by engaging ministries, departments and attached offices under the ministry.

Ministry of Petroleum and Natural Gas is actively participation in Swachh Bharat Abhiyan not only to garner people’s involvement but also to bring about behavioural and attitudinal change through unique contribution to the cause of Swachh Bharat Mission.
I am very pleased to say that this year also MoPNG celebrated Swachhta Pakhwada fortnight with full enthusiasm and fervor from 1st-15th July, 2022. I am happy to share that in this fortnight, Ministryits attached offices and oil & gas CPSEs have taken various initiatives inter-alia constructed/initiated works on around 200 toilets, planted around 2.8 lakh trees and set up around 70 plastic waste collection centres.

With my best wishes I congratulate each and every individual, who has contributed their time and efforts to the success of the campaign in every possible way and urge everyone to continue their focused efforts in building a clean, green and healthy New India.

स्वच्छता शपथ

महात्मा गाँधी ने जिस भारत का सपना देखा था उसमें सिर्फ राजनैतिक आज्ञादी ही नहीं थी, बल्कि एक स्वच्छ एवं विकसित देश की कल्पना भी थी। महात्मा गाँधी ने गुलामी की जंजीर को तोड़कर माँ भारती को आजाद कराया।

अब हमारा कर्त्तव्य है की गंदगी को दूर करके भारत माता की सेवा करें।

मैं शपथ लेता हूँ की मैं स्वयं स्वच्छता के प्रति सजग रहूँगा और उसके लिए समय दूँगा।

हर वर्ष 100 घंटे या इस संकल्प को चर्चार्थ करूँगा।

मैं न गंदगी करूँगा न किसी और को करने दूंगा।

सबसे पहले मैं स्वयं से, मेरे परिवार से, मेरे मुहल्ले से, मेरे गाँव से एवं मेरे कार्यस्थल से शुरुआत करूँगा।

मैं यह मानता हूँ कि दुनिया के जो देश स्वच्छ दिखते हैं इसका कारण यह है कि वहाँ के नागरिक गंदगी नहीं करते और ना ही होने देते हैं।

इस विचार के साथ मैं गाँव-गाँव और गली-गली स्वच्छ भारत मिशन का प्रचार करूँगा।

मैं आज जो शपथ ले रहा हूँ, वह अन्य 100 व्यक्तियों से भी करवाऊँगा।

वे भी मेरी तरह स्वच्छता के लिए 100 घंटे दे, इसके लिए प्रयास करूँगा।

मुझे मालूम है की स्वच्छता की तरफ बढ़ाया गया मेरा कदम पूरे भारत देश को स्वच्छ बनाने में मदद करेगा।
Mahatma Gandhi dreamt of an India which was not only free but also clean and developed. Mahatma Gandhi secured freedom for Mother India. Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time for this.

I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness.

I will neither litter nor let others litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village and my workplace.

I believe that the countries of the world that appear clean are so because their citizens don’t indulge in littering nor do they allow it to happen.

With this firm belief, I will propagate the message of Swachh Bharat Mission in village and town.

I will encourage 100 other persons to take this pledge which I am taking today.

I will endeavor to make them devote their 100 hours for cleanliness.

I am confident that every step I take towards cleanliness will help in making my country clean.
