Indian Renewable Energy Development Agency Ltd. (IREDA) has taken a significant step towards fostering innovation and research in the renewable energy sector, by signing a Memorandum of Understanding (MoU) with Indian Institute of Technology Bhubaneswar. The MoU, inked today, February 11, 2024, at the 100 Cube Start-up Conclave held at IIT Bhubaneswar, aims to support collaborative efforts in innovation and research initiatives, technology transfer, and nurturing the start-up ecosystem.

The collaboration between IREDA and IIT Bhubaneswar is poised to facilitate joint research efforts, facilitate technology transfer, and provide comprehensive support for the start-up ecosystem. It will also encompass capacity-building initiatives such as training programs, seminars, and workshops to enhance the skills of IREDA officials.

The MoU was signed by Chairman & Managing Director of IREDA Shri Pradip Kumar Das, and Independent Director of IIT Bhubaneswar Dr. Debi Prasad Dogra, in the presence of Union Minister for Education, Skill Development & Entrepreneurship Shri Dharmendra Pradhan and Director of IIT Bhubaneswar, Prof. Shreepad Karmalkar.
Speaking on the occasion, the IREDA CMD said: "This partnership with IIT Bhubaneswar marks a significant milestone in our journey towards fostering innovation and sustainable development in the renewable energy domain. By leveraging the expertise and resources of both organizations, we aim to drive impactful research initiatives and propel the growth of the renewable energy sector."
