AEROSPACE & DEFENCE MAPPING STUDY

Mapping the aerospace and defence ecosystem in India and their inherent potential

Primus Partners are conducting a study on behalf of National Security Council Secretariat (NSCS) to map the A&D industry in India. You may login to <https://nadr.in> and submit details of your company as required. To clarify any doubts, the Primus team will be available from 27th September 2021 to 8th October 2021 with two slots per day (from Monday to Friday) during:

- (a) 1100-1200 hours: [Click here to join the meeting](#)
- (b) 1600-1700 hours: [Click here to join the meeting](#)

You may log in during any one of the above slots on any of the days using the corresponding links and interact with their representatives.
